INSPECTION LEGEND

EXcellent - The item or component inspected is in as-new condition, without any obvious flaws or blemishes

- Body panels - No dents, dings, scrapes, waviness or rust
- Paint - No chips, scratches, runs, fade, mismatch or blemishes of any kind
- Chrome & trim - Appear as new
- Interior - Shows no wear

GOOD - A few flaws, some normal wear or deterioration for year/mileage not readily noticed by the untrained eye. Serviceable, with normal functionality.

FAIR - Flaws are readily apparent. More than normal wear. In need of repair/refurbishment but useable or operable as-is

POOR - Damaged, weathered, defective or missing; requiring repair or replacement

N/A - Not applicable/Not available

NOTE: This Pre-Purchase Inspection covers the most relevant and important cosmetic and operational systems integral to the Subject Vehicle being inspected. Due to thousands of options, accessories and other variables, while we make every attempt to do so, it may not be possible to inspect and evaluate each and every component, option or modification that may be present on the vehicle. We believe, however, the Pre-Purchase Inspection Report provides an excellent assessment of the current overall condition of the Subject Vehicle.
